

EPGP Placements 2023-24

Overview

The recruitment process for the EPGP 2023-24 cohort was structured with a blend of Day Zero and rolling placements. This approach was designed to accommodate the extended recruitment cycle for senior roles via rolling placements, while Day Zero aimed to attract prestigious recruiters. Commencing on November 6, 2023, Day Zero saw the participation of renowned organizations such as Accenture, RPG, Samsung Electronics, Galaxy Surfactants, Wells Fargo, Genpact, Infosys Consulting, Persistent Systems, TVS Motors, and Zomato, among others. As of March 31, 2024, out of the 75 graduating students, 73 opted to engage in campus placements while 2 chose not to participate. Of these, 70 students have secured promising career opportunities through campus placements. Two students are still in the process of securing employment.

A representative list of recruiters as well as a sample list of roles offered are shared as separate tables in this report.
