Indian Institute of Management Bangalore

Post Graduate Programme in Management

Recruitment Process

Glimpses PGP 2012-14

Student Profiles

Our Recruiters
The Indian Institute of Management Bangalore (IIMB) was established in 1973 by the Government of India. IIMB engages with business and industry to create a steady stream of professionally competent and value-oriented management graduates who are potential leaders in their chosen careers. With its exceptionally brilliant student community, highly accomplished faculty and global orientation, IIMB’s reputation has steadily grown, making it one of the most globally-oriented amongst all management institutes in India. Located on a 100-acre oasis in India’s high technology capital, IIMB has world-class infrastructure that facilitates excellence in teaching, research and consulting. The Institute’s close proximity to several leading Indian and global corporate houses, gives it the added advantage of integrating classroom knowledge and practical experience.

IIMB’s reputation stems from its talented student body, accomplished faculty and global orientation. The student body comprises some of the brightest, most talented individuals who choose IIMB to pursue graduate studies and doctoral programmes. The
Institute’s faculty have studied and taught at top level universities in India and abroad. Visiting faculty from top international universities also teach regularly at IIMB. IIMB is also considered as among the most globally oriented among all management institutes in India.

In June 2010 IIM Bangalore was awarded the European Quality Improvement System (EQUIS) accreditation, introduced by the European Foundation for Management Education (EFMD) Eduniversal, a unit of French Consulting firm SMBG, ranked IIMB as the top B-school in the South Asia/Central Asia region for the third consecutive year, in October 2010. IIMB was awarded "5 Palmes", the highest rating accorded to “Universal Business Schools with major international influence”, placing the Institute among the top 100 B-schools worldwide.

Notably, the Deans of the 1000 Best Business Schools from 153 countries voted for IIMB as the best business school in the South Asia/Central Asia zone. IIMB has also been rated as India’s top business school by Business Today in 2011.
The two-year PGP, the flagship programme at IIMB, is the MBA programme. The focus of the PGP curriculum is on developing a learning manager who is able to adapt to the fast changing world around him/her, without losing sight of underlying values and ethos. The programme lays the foundation for conceptual and analytical reasoning, and gives the students an insight into the dynamics of the business environment.

The Post Graduate Programme spans six trimesters spread over two years, with a summer internship at the end of the third trimester. The curriculum places great emphasis on the ability of the student to develop an integrated view of managerial problems and on his/her ability to apply and learn in live situations.

IIMB also has a very strong student exchange programme offered in collaboration with leading management schools. With the emphasis on developing managerial skills in leadership and teamwork during the programme, IIMB students are best equipped to manage and lead in the global business scenario which is getting increasingly complex and dynamic.

Recruitment Process at IIM Bangalore

The recruitment process at the Institute is coordinated by Career Development Services (CDS) office along with a Student Placement Committee. The Institute provides all support in terms of infrastructure and facilities needed for the recruitment process.

Recruitments at IIM Bangalore take place in two phases:

- The Lateral Placement Programme addresses the increasing need of corporates for students with work experience. This process is limited to candidates who have at least 22 months of work experience.
- The Final Placement Programme is open to all eligible students.
Pre-Placement Talks (PPTs)
PPTs provide an opportunity to students and companies to interact and exchange information. A PPT is typically of 45 minutes duration during which company representatives talk about their organization and the employment opportunities being offered. The students use this time to assess the organization and opportunities. A Question & Answer session also forms part of the PPT.

Students Applications
Based on the company presentation and their individual interest levels, students apply to companies. These can be on company application forms or resumes as per company requirements. The applications are forwarded to the company within a specified time frame. The companies are provided sufficient time to evaluate the applications and shortlist suitable candidates.

Shortlists
Companies are required to send shortlists to the CDS office at least one week prior to the commencement of final placement interviews. When the companies visit the campus, they can interview the shortlisted candidates and extend job offers to selected ones.
**Interview and Offer Letters**

Companies can make job offers after the interviews. Students may accept or decline offers based on the placement rules. Companies are advised to maintain wait lists in case a student declines an offer. A formal offer letter must be sent to the CDS office within two weeks of the interview date.

STUDENT PROFILES
Sanjeev is best described as a highly motivated, confident, and dependable individual who is always committed to the task at hand. Having graduated from IIT Madras as an Electrical Engineer in 2012, he made significant contributions to the cultural and technical festivals as a sponsorship and pro-shows coordinator. At IIMB, Sanjeev is a member of the Infrastructure vertical of the Cultural Committee and also an integral member of the college badminton team. He completed his internship with McKinsey & Company, where he worked on building a comprehensive pricing strategy for a client in the automotive sector.

A trained ballroom dancer and badminton enthusiast, Aadit is a Chartered Accountant by profession with multi-industry articleship experience of 3 years at Deloitte Audit. He enjoys trying out unconventional ways to solve complex problems, as it happened during his summer internship at Bank of America’s Investment Banking Division where he developed a dynamic financial model for a diversified conglomerate. As Network Manager for SHARE-IIMB Chapter, he designed a flagship event for the national entrepreneurial fest. He has consistently excelled in academics, and was placed in the Director’s Merit List and awarded the Siddharth Padam Scholarship in Finance at IIMB.

Abhash Kumar is best known for his commitment to work and always strives to give his best in all his endeavours. He is a performer on several turfs with consistent academic record. He has an entrepreneurship venture in Medicaid and had a stint with social initiative Kashi Utkarsh. An eye for innovation and an ear for ideas helped him in his role as a General Secretary in college along with organizing the first national youth-fest for his department. He interned with Tata steel’s Corporate Strategy group and created a framework for criteria generation which helped the company with its benchmarking efforts.

Abhinaya is also one with a very positive outlook towards life. A fresher from Chennai, she is a very pleasant and encouraging person and can adapt herself very well to suit the group dynamics. Since childhood, she has actively and efficiently taken up various leadership roles and also, managed to be a topper throughout her academic life. At IIMB, she is a part of the Marketing Club, MaSh. Abhinaya interned at Procter and Gamble, India where she developed a financially feasible integrated marketing plan for a launch under Gillette India Limited.

Talented, hard-working, determined and simple are the words that describe Abhirup. A B.Tech fresher from Jadavpur University, his proficiency and interests in multiple aspects like cultural, sports and academics, have always helped him in building and sustaining strong relationships with people. He has been the vocalist and guitarist of a semi-pro band during his college days and performed in over 60 shows. At IIMB, he is a part of the Cultural Committee, the Music Club and the IIMB cricket team. Abhirup interned with Philips India Lighting, in marketing division, where he built and implemented the launch plan for a new product, after considerable market research and analysis.

Born and brought up in the serene states of Himachal and Uttarakhand, his love for mountains is everlasting. Having seen many highs and lows in life, he considers ‘time’ to be his greatest teacher. A fresher from IIT Roorkee, he is highly determined, energetic and self-motivated with a zeal for learning. He interned with Deutsche Bank-GTB in the Securities division where he worked on two projects. In one, he prepared a client pitch for the bank’s proprietary product. The other involved understanding of seven different markets and comparing portfolio investment flow trend in those markets.
Abhishek is best described as a confident, passionate and versatile individual who always strives to find innovative ways to get things done faster and better. Having graduated from IIT Madras with B.Tech & M.Tech in Mechanical Engineering in 2012, he made sure IITM was more than just about the degree. He made significant contributions to the Cultural Fest in the capacity of Head of Design Team. His passion for photography and film making led to first-ever photography contests and workshops. He interned at Bain & Company, where he was highly appreciated for his contributions to a live performance improvement case.

Abhishek Singh
Age : 24 Years
Summer internship : Practo Marketing
Work Experience : 7 months

Highly enthusiastic and dedicated, Abhishek Singh has always enjoyed taking up diverse challenges and has been a performer both in academics and sports arena. His commitment to work and ability to come up with innovative solutions differentiate him from his peers. Prior to joining IIMB, he worked as System Engineer in Infosys for 7 months and represented a batch of 1600 trainees. Abhishek interned at Practo in their Marketing division where he formulated a digital marketing strategy for Practo products. The ease at which he inculcates team spirit among others help him drive innovation and showcase superior results.

Aditi Garg
Age : 20 Years
Summer internship : Accenture Management Consulting Analyst
Work Experience : 0 months

Aditi joined IIM Bangalore after graduating with a Bachelor’s degree in Statistics from Lady Shriram College for Women, University of Delhi. She has always been a consistent academic performer and enjoys reading novels in her free time. At IIMB, she is a Placement Representative and thoroughly enjoys interfacing with recruiters. She is also passionate about being able to improve the placement process from a student & recruiter perspective. She wishes to pursue a career as a management consultant. A first step to this end has been her summer internship with Accenture Management Consulting.

Aditya Agar
Age : 23 Years
Summer internship : GEP Analyst-Consulting
Work Experience : 6 months

An avid basketball and billiards player, Aditya describes himself as a determined and positive person. Hailing from Indore, Aditya worked for PepsiCo India’s new project division for a year after graduating in Electrical Engineering from NIT Bhopal in 2011. He interned as an operations consulting analyst at GEP and was involved in spend rationalization and savings realization across 4 categories of a Fortune 500 Pharma company. Aditya contributes to the Student Media Cell and Student Alumni Committee at IIMB.

Aditya Doshi
Age : 24 Years
Summer internship : Citibank Analyst
Work Experience : 0 months

One word which encompasses Aditya is versatile. A Chartered Accountant by profession, Aditya has an avid interest in finance and has cleared all levels of the prestigious CFA program, USA. He has been part of the college chess, football and cricket teams and is a very committed team player. Aditya interned in the Investment Banking Division at Citibank and had an opportunity to contribute to M&A and primary market transactions.

Agrim Kumar
Age : 22 Years
Summer internship : American Express Marketing Analyst
Work Experience : 0 months

Agrim is best described as a highly enthusiastic, confident, and versatile individual who always strives to excel at the task at hand. Having graduated from NSIT Delhi as a Computer Science Engineer in 2012, he made significant contributions to the Cultural and Technical Fest as Sponsorship and Pro-shows coordinator. His passion for basketball led to his captyancy of the department basketball team at NSIT and medals at inter IIM meets. He interned at American Express in the Consumer Cards Division, where he was highly appreciated for building an end to end marketing campaign targeted at recently attrited card members.
Ajinkya Devichand Patil
Age : 23 Years
Summer internship : Marico Finance
Work Experience : 10 months

He believes that there is no shortcut for success and always tried to maintain consistency in academics. He is chartered accountant by profession & joined IIMB after doing practice for 10 months. He interned with Marico in their International Business Group where he studied Marico’s Go to market model. He was working under CFO & his job responsibility was to manage their 3rd most profit generating product in terms of Product pricing, Devising Go to market model, Suggesting measures to increase operational efficiency and Finding out alternative use of product. He also won event organized by Networth in IIMB.

Akshay Shenoy
Age : 22 Years
Summer internship : RBS Summer Analyst (International Banking)
Work Experience : 0 months

Akshay believes in the importance of ‘balance’ in life. He is a Governor’s Gold Medalist in the 10th, Mumbai Commerce topper in the 12th, and Best Student awardee of the B.Com.(Hons.) program at NMIMS University Mumbai. An avid traveller, Akshay is a French Government Charpak Scholarship awardee and an exchange student of HEC Paris. He has great passion for the literary arts, and is VP (Education) of the Forum for Communication and Leadership at IIMB. A CFA Level III Candidate, he interned at RBS where he worked on live financing deals and aspects like end-to-end strategy for their cash business.

Alimpan Barua
Age : 23 Years
Summer internship : Microsoft Program Manager
Work Experience : 9 months

Alimpan is a diligent and a positive person who strongly believes that one should always pursue happiness in life. His forte is his ability to adapt to any situation and give his best in it. He has won accolades in dramatics, quiz contests, Olympiads at national and state level. He graduated from IIT Kharagpur in Computer Science and Engg. followed by one year at Oracle India Pvt. Ltd. as a software developer. Alimpan interned as a Program Manager at Microsoft where he was actively involved in the market research, design and development of a unique app for Microsoft Bing.

Aman J Jain
Age : 22 Years
Summer internship : The Boston Consulting Group Summer Associate
Work Experience : 0 months

Aman Jain is a fun loving and a balanced personality. A thespian at heart, he is an active member of Cultural Committee and Dramatics club at IIMB. At an age of just 23, he holds experience of launching two ventures of his own. With his adaptive nature and excellent time management skills, Aman has won several accolades. Besides being a state level cricket player, he had been adjudged as the best all-rounder during his undergraduate for an outstanding contribution in the field of academics, sports, campus & cultural life, alongside holding key positions of responsibility. During his stint at The BCG, Aman worked on the transformation strategy for a loss making business unit of a steel major in India.

Amit Kumar Pandit
Age : 25 Years
Summer internship : Tata Steel Marketing
Work Experience : 0 months

Amit Kumar Pandit is a person who believes in honesty at work, giving his best in every situation and motivating people around him to achieve success. He is a fresher from engineering background, NIT Jamshedpur, and possesses good analytical and aptitude skills. Having been involved in many extra-curricular and group activities, e.g. organizing tech fest, cultural fest and first ever alumni meet of his college, he has developed good interpersonal skills and traits of a good team player. He interned at Tata steel’s sales and marketing division where he worked on exploring opportunity in untapped market segments and developed strategic market entry plan.

Ankur Yadav
Age : 22 Years
Summer internship : Axis Bank Marketing
Work Experience : 0 months

Hailing from a military background, Ankur is known to showcase discipline in all his endeavors. He is a fresher who has always believed in a balanced life. Apart from being a university topper in his undergraduate, he held various positions of responsibilities like Placement Representative, Student Council member and Chief Coordinator for a national-level fest. As the Secretary of Marketing Club at IIMB, he initiated various events and publications to scale up interest in marketing among the students. He interned at marketing division of Axis Bank where he devised sales and marketing strategy for the launch of a first-of-its-kind product by any Indian bank.
**Anshul Pratap Singh**  
Age: 21 Years  
Summer internship: American Express Sales and Marketing  
Work Experience: 0 months

Brought up in an Army Background with values of discipline and honesty he easily amalgamated into fun filled college life. As a fresher from Netaji Subhash Institute Of Technology - Delhi he was an extrovert and a lively person always known for his witty humour. Known for his acting skills, he was popularly called as ‘Gabbar’ in IIM B corridors. He had a memorable experience as an intern at American Express in Global Merchants Division where he identified the coverage gap of American Express acceptance in Insurance Sector. He was also the Campus Marketing Officer of Freecharge at IIMB.

**Anupam Francis**  
Age: 22 Years  
Summer internship: ITC Management Intern  
Work Experience: 0 months

Anupam is a calm and composed individual. He has displayed pragmatism and a cool temperament even in the most difficult of situations. His internship at ITC’s stationery business was an enlightening experience that allowed him to interact with people across the spectrum of roles. In IIMB, he was a member of the Club Selection Committee, which was solely responsible for streamlining the club selection process among all clubs and ensuring transparency in all aspects of the process. Anupam has displayed integrity in all his endeavours, both in his internship and his various roles as Subject Representative of different subjects.

**Anurag Chaurasia**  
Age: 23 Years  
Summer internship: American Express Risk Management Analyst  
Work Experience: 0 months

His journey began from the oldest living city in the world, Kashi. Anurag is a consistent and composed person and always strives for the best. Hard-work and perseverance have been his greatest allies. A Computer Science engineer (fresher) from the Indian Institute of Technology Jodhpur, he is the recipient of the first ever President’s Gold Medal and General Proficiency Medal from this institute. He is an ardent football fanatic and loves exploring places. He interned at American Express – Risk Management with the Business Insights team and was appreciated on his project of identifying indicators for price sensitivity of customers.

**Anurag Katiyar**  
Age: 21 Years  
Summer internship: American Express Risk Management Analyst  
Work Experience: 0 months

Anurag Katiyar is best described as a highly dedicated individual, who always strives for excellence in all endeavors. Multi-tasking is his biggest strength which has helped him accomplish multiple goals at the same time during his academic voyage as exemplified by his feat of securing AIR 671 in IIT JEE-2008 along with State rank 2 out of 1.7 million students in 12th Board Examination. A knack for design along with exemplary management skills has helped him organize two of the biggest cultural fests in India. He has interned and been associated with a diverse set of organizations – American Express, GE, Yahoo!, IBM, Pepsico, and Cognizant among others.

**Anushmita Kaushik**  
Age: 24 Years  
Summer internship: The Boston Consulting Group Consultant  
Work Experience: 0 months

A hard working and creative person, Anushmita has finely balanced both academics and extra-curricular activities. A fresher from IIT Patna, she has the qualities of a leader and has served as the General Secretary at college and Head Girl at school level. She was awarded the Director’s Gold medal for best all-round performance in her under-graduation. At IIMB, she has contributed as a coordinator of the Cultural Committee, Anushmita completed her internship with BCG, where she worked on two modules in Pharma. They involved building a centralized KPI system for the end-to-end supply chain and suggesting levers for improving profitability.

**Arjun Balasubramanian**  
Age: 22 Years  
Summer internship: Shell Marketing  
Work Experience: 0 months

An Electronics engineer from Chennai, Arjun did his undergraduate in College of Engineering Guindy. He did his internship in Shell in Sales & Marketing role in B2B industry. “As a fresher, I did not have much insight into the industry but this internship experience was informative as well as a thrilling one” exclaims Arjun about his internship experience
Arun Bagaria
Age: 22 Years
Summer internship: HSBC Fx Sales & Trading
Work Experience: 0 months

Arun, a commerce graduate from H.R. College, Mumbai, has co-founded an advisory firm for NGO’s and consulted social organizations for business development and financial management. His drive to test his knowledge in practical world, along with perseverance, has helped him perform exceptionally in B-school events across domains. He is passionate about football and a gold medalist in chess. He interned with the Fx Sales team at HSBC and built a model for predicting India’s Current Account & Trade Account Deficit which widened his understanding of India’s economy. Impressed by his proactive attitude, clarity in thought and final findings, he was given a chance to present the report to the clients.

Arunsathyaseelan P
Age: 22 Years
Summer internship: ITC Supply chain management
Work Experience: 0 months

Of the two kinds of students at IIM-B, one who see everything as a miracle and the others who don’t see anything as a miracle, Arunsathyaseelan P belongs to the former category. Passion, enthusiasm, commitment, curiosity and never-say-die spirit are the traits which sum up his character and life. He interned at ITC’s Packaging and Printing Division in a supply chain role wherein two of his recommendations were well appreciated and received by the Divisional CEO. At IIM-B, he has carried out a MR study for GE-healthcare. He loves reading the HBR and follows Professor Clayton Christensen.

Ashok Rimmanapudi
Age: 22 Years
Summer internship: EADS Managerial Accounting
Work Experience: 0 months

A simple person at heart who firmly believes in delivering the best, Ashok rejoices in hard work. Known for his love and talent for analytics, his academic records reflect the same. He is fresher with specialization in Electronics and Communication Engineering from IIT Guwahati, where he actively contributed through his participation in many student bodies. He loves to spend his leisure time by reading fiction, watching romantic comedies and solving puzzles. He interned at EADS India, for the sourcing unit of Bangalore. As the only intern, he worked closely with the sourcing managers and successfully developed highly accurate costing model of suppliers for the company.

Ashwin A
Age: 22 Years
Summer internship: Dentsu Market research analyst
Work Experience: 0 months

Highly enthusiastic and committed to his work, Ashwin always strives to give his best in all endeavours. His ability to follow a pragmatic approach and voice out his ideas makes him stand out in any group. He is an electronics engineer who holds a university rank. At IIMB, Ashwin contributed to Forum for Industrial Interaction (FII) and to MARS as its Senior Coordinator. He interned at Dentsu-Singapore in the market research department where he was credited for his contribution in various multinational researches carried across the whole of ASEAN region.

Bhabesh Kanhar
Age: 24 Years
Summer internship: Tata McGraw Hill
Work Experience: 10 months

Hard working, determined and fun loving, Bhabesh, did his engineering from IIT Delhi in Civil Engineering. His biggest strengths are adaptability, analytic skills and his ability to work in teams. Before joining IIMB, he worked for Leighton Contractors Pvt. Ltd for 10 months. He has always maintained a balance between academics and extra-curricular activities. He is the recipient of NTSE Scholarship and has also represented his state twice in National Handball Games. During his summer internship at McGraw Hill Education, he successfully developed a go-to market strategy for a new digital product for management institutions. He loves to read and travel.

Bhanu Priy
Age: 24 Years
Summer internship: ITC Sales & Marketing Intern
Work Experience: 10 months

A hardworking and dedicated person, Bhanu, graduated in 2011 at the top of his class of pharmacy undergraduates from BITS, Pilani. In his first year at IIMB, he was part of the student exchange committee. He interned with the personal care division of ITC wherein his work involved identifying the growth drivers of one of ITC’s personal care brand. Prior to joining IIMB he worked as a junior consultant at IMS Health. He is interested in photography and was one of the five students to be awarded by the institute for his photography skills.
Bindya is a lively and fun loving person who always strives for excellence. She is a trained Bharatnatyam and Kathak dancer and is part of IIMB’s core dance team. A fresher from field of computer Science, she has maintained excellent track record in college by securing high grades consistently. Bindya interned at Bennett Coleman for their Economic Times Brand, where she had to assess international markets for launch of Economic Times. A firm believer of serving the society, she has organized multiple blood donation campaigns in association with Aniketana trust and taught computers to the visually challenged in IDL foundations.

Chandan is a hardcore sports enthusiast, very energetic, congenial and endowed with good sense of humor. Hailing from the state of Odisha he is one of those rare combinations of sportsmanship and academics. He takes pride in having represented Odisha in cricket for 8 long years and for having been selected for the trials of Rajasthan Royals in IPL 2009. At IIMB he always stood out for his brilliance in various sports. He played a major role in making IIMB cricket team the champion in Sangharsh by being the leading run scorer. He interned with SAP India in the Sales division, where he was distinguished for his work performance as well as for his meticulous performance on the cricket field.

Harika is a highly dedicated, cheerful and fun-loving person. She pursues her passion and believes in her endeavours. She maintains balance between academics and extra-curriculars like sports and dance, with many accolades received in both these arenas. She is an excellent team player and has been highly appreciated in the company she interned, Nestle India. She conducted consumer market research and a market mapping analysis that enables nestle increase its market share three-fold in the infant nutrition category in India. The projects she had taken up proved instrumental to the company, which has also considered implementing her work without fail.

Agile learner, team player, self-motivated and determined are the words which describe Debashree Gain. A Computer science Engineering fresher from ITER, Bhubaneswar, she has an excellent technical background and exposure to multitude of activities besides academics. Being the chief coordinator of the Robotics club of her college, she has helped her team win several National level Robotics competitions. As a junior secretary of Toastmasters@IIMB, she has helped her fellow students improve their oratory skills. She interned with IBM Global Business Services in their Travel and Transport team, where she worked on assessment of Chennai for implementing IBM’s smarter city solution.

Deepak is known for his calm and confident attitude, which has helped him handle diverse and challenging situations in excellent fashion. He joined IIMB after graduating from College of Engineering Guindy, Chennai. At IIMB, he is a Placement Representative and thoroughly enjoys interfacing with recruiters. He is also passionate about being able to improve the placement process from a student & recruiter perspective. He did his internship with Procter & Gamble where he had an enriching experience by making the best use of his financial knowledge. He was praised by top management for his impressive dedication, analytical and communication skills.

Deepal, Mechanical Engineer is a lively, fun loving person who has managed to strike a balance between both academics and extra-curricular activities. He had his internship stint with ABG-More, where-in he worked for the new convenience store format, turning around 4 stores exceeding sales expectations by 15% and carried out promotional work for new stores. He prepared a new model for assortment finalization for the same. He enjoys traveling and is a prolific counter-strike player and an average pool player, the latter having picked up in the last one year.
Disha Tak  
Age: 23 Years  
Summer internship: Ocwen Business Analytics  
Work Experience: 0 months

An urge to excel in every endeavour and a positive attitude towards life, is what sets Disha apart. Driven by self motivation and an appetite for immense hard work, she has always excelled in academics as well as extracurricular activities. A NTSE scholar, Coordinator of several events, Placement Representative at IIT Roorkee and National award winner in art exhibitions, she has always proved her talent in whatever she has done. As a summer intern at Ocwen Financial, Disha worked on optimization of loan resolution process. She was highly appreciated for her analytical abilities, sound thought process and smart execution.

Duhita Shrikhande  
Age: 25 Years  
Summer internship: McKinsey & Company

Choosing to take the path less trodden, Duhita decided to pursue management at IIM Bangalore after successfully completing the Chartered Accountancy course and graduating with a B.Com degree from University of Mumbai. Her commitment towards excellence enabled her to win the prestigious Aditya Birla Scholarship and secure admission at the Stern School of Business, New York as an exchange student. At IMB, Duhita was a part of the finance club and actively participated in dance events held on campus. She interned at McKinsey & Company where she was involved in an engagement in the banking and financial services industry.

Ezhilmalar J  
Age: 23 Years  
Summer internship: HT Media Marketing  
Work Experience: 4 months

Ezhilmalar, a consistent high performer in academics is also an embodiment of enthusiasm and commitment to work. She is that person who is always willing to go that extra mile to achieve the results that exceed the set standards. A university gold medalist in her under graduation, a perfectly logical thinker, with the gift of extra-ordinary analytical ability – she performs her best in all her professional endeavors. During her internship with Hindustan Times Media, she completed two projects in the time period stipulated for one – both in marketing research, which fetched her compliments from her supervising team.

G M Nithya  
Age: 22 Years  
Summer internship: Goldman Sachs  
Work Experience: 0 months

Nithya is an enthusiastic engineer from IIT Madras, who would go that extra mile, when fired by passion. She interned at Goldman Sachs, Global Investment Research, with the Economics, Commodities and the Strategy team. At Goldman, she devised a trading strategy that could outperform the market before the Indian General Elections, employing India Equities. Nithya focuses her energy not only academics but on her other passions as well. She took to playing basketball and was a part of the IMB women’s basket ball team. Her interest in the arts led her to be a part of the IMB classical dance team.

Gaurav Anand  
Age: 22 Years  
Summer internship: The Boston Consulting Group Summer Associate  
Work Experience: 0 months

Gaurav Anand is a Mechanical Engineer from IIT Delhi. He was extended a PPO from the Boston Consulting Group (BCG) for significant contribution during his summer internship where he worked on compensation design for enhancing the Sales force efficiency of a mid-sized IT sector client. During his first year at IMB, he contributed to the Forum for Industrial Interaction (FI) as the Publicity coordinator, where he was involved in contacting over 300 colleges and corporates for Vista 2012. He received the Director’s Merit Award for 2 consecutive years at IIT Delhi.

Gaurav Dilip Bachhav  
Age: 23 Years  
Summer internship: Edelweiss Analyst  
Work Experience: 0 months

Gaurav comes across as a person who values hard work and dedication for whatever he does. The best thing about him is his perseverance and amount of efforts that he puts in every work that he undertakes. He has some uncommon aspirations of bringing about a change in the society using the platform that he has got in his alma mater. His motivation comes not from the corporate biggies but from the people who work for the lowest strata of the Indian society. He believes, one day, the world will become a good place to live with the new wave of awareness and enthusiasm.
STUDENT PROFILES - 2014

Gautam Sridharan
Age : 23 Years

Imsurenla Longkumer
Age : 22 Years
Summer internship : Kraft Sales & Marketing
Work Experience : 0 months

Sincere and composed, Imsurenla is passionate about pursuing excellence in her work. Having graduated from SRCC with a Bachelor’s degree in Commerce she continues her endeavour in the fast track IIM-B. She is a member of IIMB Girls’ basketball team, can play the guitar and the keyboard and writes for her personal fashion blog "The Alli" through which she has conducted promotional events for brands such as Hewlett-Packard, Lacoste, Wills Lifestyle, and Tod’s. The Alli is a unique forum which allows her to synergize her enthusiasm for fashion and entrepreneurial abilities. In gaining work experience through her summer internship with Cadbury India, she interacted with prominent mobile solution vendors to develop a unique mobile marketing programme for Cadbury’s flagship product.
Passion for success and a desire to learn are the two traits that Ishan prides himself on. Having done his graduation from BITS Pilani Goa Campus, Ishan always tries to learn new skills in life. A passionate dancer and a theatre enthusiast, he always believes in the saying "Work hard, party harder". Before joining IIMB, he worked at Oracle India as a software developer. He completed his internship at Boston Consulting Group as a summer associate. He worked on a project revolving around volatility in different sectors in India.

Jai is an Electrical Engineer from IIT Kharagpur. Prior to joining IIM Bangalore he was working at nVidia, Bangalore as a hardware design engineer for 11 months. He has keen interest in finance and is currently pursuing Level-III of the CFA, US certification. During his summer internship with Rothschild, he worked with financial advisory and debt restructuring desks. Jai has been a consistent high performer in academics – a topper throughout his career and among the Director’s Merit Certificates Awardees in IIM Bangalore. Other than academics, he has been actively involved in dramatics and poetry.

Hard working, proactive, resilient and fun loving are some of the traits that best describe her. Apart from being a consistent and best performer in her academics, she is a dance enthusiast having staged several performances and has been a part of the dance club at IIMB. Her other interests being glass painting and social activities, she maintains right balance between academics and extracurricular activities. During her internship with Colgate-Palmolive, she had a 360 degrees exposure in the launch of an FMCG product. She developed a digital activation plan that proved very crucial in developing post launch strategy for the product.

Karthija, a multi-talented fresher from PSG College of Technology, Coimbatore, is a consistent academic performer, a black-belt holder in Karate and lead vocalist of the college band. Karthija is a polyglot who speaks five languages including French and German. As a finance intern in GE, she worked in their water and transportation divisions. There she liaised between the finance and IT team to develop and implement an effective cost optimization mechanism. A passionate runner and swimmer, Karthija is a Senior Coordinator of the Sports Council of IIM Bangalore.

Kartik Goel is a hard working, determined and positive person with consistent academic records. Actively involved in research, he has co-authored 5 research papers on topics related to financial services and has been conferred with ‘best research work’ and ‘best undergraduate project’ awards in IITD. He is also an expert reviewer for the International Journal of Bank Marketing. At IIMB, he has contributed to the Marketing club, as an event coordinator. Kartik completed his internship with BCG, where he worked on two modules for a public sector bank. One involved process reengineering strategy and the other was developing a manpower model.

Ravali is a multi-tasker with right balance between academics and extra-curricular activities. Apart from her consistent academic record, Ravali represented IIM Bangalore in running, carom and dramatics. Highly enthusiastic and determined, she is also a senior coordinator of two clubs: MARS and Bookrack. She is an easy going and friendly person and sets high standards for her work. Ravali interned with ITC Ltd, where she initiated and finalized a deal for ITC Foods division with a leading fast food restaurant chain reaching 2,00,000+ consumers. The management of ITC has appreciated her approach towards the project and the final outcome.
Kavya Gollavilli  
Age: 22 Years  
Summer internship: Deloitte Consulting Intern  
Work Experience: 0 months  

Kavya is known for her dedication, discipline and focus. A fresher from NIT Warangal, she was among the few who were awarded the Merit Scholarship for 4 consecutive years. At IIMB, she was recognized as ‘Bennett Scholar’ by the prestigious BCCL (Times of India) group. She interned with Deloitte S&O where she helped a client identify growth opportunities in the telecom sector and also worked on a sourcing project for a university. She was commended for her proactive nature, flexibility in adapting to multiple tasks, eagerness to learn, and for being a good team player.

Khushal Dikha  
Age: 22 Years

Madhur completed his internship with McKinsey & Company, where he was working on an infrastructure project for one of the largest business houses in India. He is the Head of Sponsorship at Forum for Industrial Interaction (FII). A dramatics enthusiast, he has been involved with theatre since his school days and is an active member of the Dramatics Club of IIMB.

Mahitha Prasad  
Age: 23 Years  
Summer internship: Cairn Strategy-Business Development  
Work Experience: 10 months  

Mahitha Prasad is a lively, enthusiastic girl who strives to go the extra mile in all her endeavors. Her ability to work under pressure and multi-task is her biggest strength. She has a balanced mix of academic and extra-curricular achievements to her credit and is a member of the Dance troupe at IIMB. She had worked with Coromandel International (Murugappa group) for a few months after passing out from NIT-Trichy in 2011. Mahitha completed her summer internship with Cairn India Energy Ltd., where she worked with the Business Development team on risk assessment, market potential assessment and devising entry strategy for new ventures.
A sincere and dedicated student Saurav is described by his friends as a mature, fun loving person with a zeal for life. A fresher from NITK, he has experienced a variety of cultures growing up, giving him the ability to quickly adapt to new situations. He is a good mixture of practicality and creativity. He has proved this in positions of responsibility not only in college activities but also in his internship with GSK. He was able to implement a strategy to boost the in store visibility and a new channel for coordination between the management and field teams.

Manish is street smart and has exceptional ability to get things done. As a senior member of Hostel & Mess Committee at IIMB he has displayed his prowess in bringing about prospective changes. His education in Mathematics & Computing from IIT Kharagpur gives him strong foundation of logic, analysis and coding. He interned at American Express Risk Division. He was highly appreciated by the senior management for his model for predicting expenditure of a newly acquired credit card customer. He is a student member of Institute and Faculty of Actuaries, London and is credited for clearing 5+ exams.

Manish is someone who stands out of the crowd due to his ability to think differently and comprehensively. He has keen interest in music and sports- he plays the guitar, percussion instruments, badminton and tennis. He is a passionate supporter of environmental conservation and is Senior Coordinator for the Environment and Sustainability Society at IIMB. For his summer internship at METRO Cash & Carry, he worked in a Cross Functional Team on a blueprint to address the Catering Segment in India- something that the company has not done so far. His suggestions are currently under implementation at METRO.

A fresher from IIT Roorkee, Mayank Bhaskar has the right mix of academic and extracurricular achievements to his credit. He interned at Edelweiss Financial Services Limited - Commodity Risk Division where he was appreciated for his work on two projects of strategic importance. One was to quantitatively analyse market risks in commodity trading and the other was to develop and implement a comprehensive framework for managing fraud risk in domestic and international commodity business. His project on financial benchmarking of Mysore Minerals Limited for TECSOK, the consulting firm for Karnataka Government gained appreciation in public policy domain. Besides, he is an accomplished guitarist and an active member of Dhwani, the music club of IIM Bangalore.

A national-level singer, Monika came with the tag of a ‘nightingale’ straight from her engineering college and joined IIMB as a fresher. Known for her passion and dedication for music, she is part of the Spicmacay chapter and the lead vocalist of the music club ‘Dhwani’ at IIMB. With an excellent academic record, and dedication, she makes it a point to balance her curricular and extra-curricular activities well. Monika interned with Tobacco Division in Supply Chain role at ITC, where she devised strategies to reduce logistics costs in the leading brands Sunfeast and Bingo. As part of the project, she visited various factories and warehouses and ran pilot implementation of her recommendations, which were later scaled up across India.
A fresh graduate from IIT Kharagpur, Morom is a music and sports enthusiast who believes in hard work and puts full commitment to whatever interests him. He has held positions like Governor of Music Society and received "Order of Merit" for his outstanding contribution for music at IITKGP. While at IITKGP, he did his internship at Reliance Industries Ltd and was awarded a PPO. In his first year at IIMB, he interned in a start-up in a marketing role where he did market research on a new market and gave recommendations of entering into it which were highly appreciated.

Work Experience : 20 months
A cheerful and amicable person, Anoop believes in putting his best foot forward in whatever he takes up and this has reflected in his academics and extracurricular activities. Graduating from NIT-Rourkela, he worked as Engineer in NTPC ltd. He played a crucial role in managing main plant operations at Talcher-K. At IIMB, he is known to be methodical, reliable and an excellent team player. His passion lies in strategy and operations. He is a member of IIMB swimming team and pursues other interests in tennis, fitness and long drives. During his internship at RIL he worked in reliance technology group and developed a comprehensive model for project portfolio management.

Ashish is whole-heartedly committed to all his endeavors. During his undergraduate stint, he spearheaded a team of enthusiasts to organize a Defense Exhibition and was appreciated by the Indian Army. He worked for a Digital Advertisement Agency, Sapient-Nitro for 2 years and handled the Marketing Projects of Unilever. At IIMB, he volunteers for Teaching Initiative for the underprivileged with social group – Vikasana. He writes screenplays in his spare time and has consulted for General Electric’s Marketing Initiatives. He interned with Sony Entertainment Television, where he created a Psychographic Segmentation Model for understanding Indian Consumer Behavior. His inputs defined company’s go-to-market strategy.

A Computer Science graduate from IIT Delhi with two years’ experience at Oracle, Deepak believes in one principle, “Arise, awake and stop not till the goal is reached”. A national level Table Tennis player, He represented IIMB in five sports at Inter-IIM meets last year. Being a renowned photographer in IIMB community and a professional model certainly adds another feather to his multidimensional personality. Since his childhood days, Deepak has also worked on several rural empowerment initiatives. During his internship at A.T. Kearney, Deepak worked on sales enhancement project for a retail client and was extended a pre-placement offer for his contribution towards the project.

A highly passionate and dedicated individual, Harini is a gold medallist in Information Technology from College of Engineering, Guindy, Chennai, and also a professional Yoga instructor. Before joining IIMB, she worked for Global Scholar as a software development engineer where she developed educational software for schools based in US. During her internship at Kraft Foods, she worked on a marketing strategy for repositioning a popular health brand in South Indian states. She is a Senior Coordinator in the Student Alumni Committee of IIMB and was a Junior Coordinator in MARS, the student-run retail store at IIMB.

An enthusiastic and creative personality, Kalayappan works smart and with agility. An engineer from College of Engineering Guindy, he worked as a programmer analyst at CTS for 19 months as part of a team that developed a billing system for a telecom major in the US. At IIMB, he has worked on live projects across two spectrums – an election strategy for a regional political party and a viral marketing feature for an Android application. He did his summer internship at Bharti Airtel, where he developed a tracking system that helped in automation of sales and distribution in Chennai. He enjoys storytelling and is a short filmmaker.

In the initial part of his career Kanad pursued Chartered Accountancy along with BCom and arrived at IIMB in the immediately following year, with a few months of work experience, mainly in the audit and tax domain. At IIMB he was actively involved in various sports and was a part of the IIMB football team. Having never worked in a large organization before, his internship experience was unique for him. Looking ahead, he wants to continue with his career in the finance domain.
Meenal is an ambitious, hardworking and high-energy person. She has consistently performed well in academics, securing top ranks in Chartered Accountancy and board exams. However, she balances academics with extra-curricular pursuits. She has received scholarships from the French Government and The Sir Dorabji Tata Trust in recognition of her consistent all-round performance. At IIM Bangalore, she is an editor of IIMB Management Review’s student chapter and a member of the Student Audit Committee. After completing her articleship with PriceWaterhouseCoopers, she worked with SBI Capital Markets in their Private Equity transactions team. She interned in the Investment Banking division of Goldman Sachs where she worked on deals spanning several sectors such as consumer goods, infrastructure, insurance and agriculture.

Nisha is an ever smiling cheerful gal, always full of life and enthusiasm even under the adverse circumstances of IIMB. A topper throughout her life, she's among the top 20 admitted to IIMB and was hence nominated for Aditya Birla and OP Jindal Scholarship. A person of her own ideals, she chose not to join the race for clubs & resume points at IIMB, but instead try out all kinds of sports and adventure activities. B.Tech from KIIT University in IT and an Assistant Systems Engineer at TCS for 20 months, she interned at Deloitte Consulting (Strategy & Operations) where she was very much appreciated for her creativity.

Piyush is an articulate and confident speaker with experience in debating and hosting panel discussions. His creative endeavors include serving as the editor of his college magazine at IIT Roorkee. An avid numismatist and a passionate trekker, he likes exploring new cultures and places.
Prashanth Reddy P
Age: 25 Years
Summer internship: Amazon Business Development Intern
Work Experience: 21 months

Prashanth is creative, highly committed and full of positive energy. His dedication is reflected in his consistent performance in academics and career. Graduate in Electrical Engineering from NIT Warangal, he worked with NTPC. During his 2-year stint, he was awarded Certificate of Merit by Senior Management for his swift action and apt decision-making skills during emergencies. He interned with Amazon, where his recommendations were implemented to meet annual targets. Prashanth has strong proclivity towards finance and hopes to pursue a career in this domain. Being a dance enthusiast, he learnt classical dance and performed on various occasions in NTPC and at IIMB. An ardent admirer of films, he has also directed 4 short films, which stand testimony to his creativity.

Preetam Pal
Age: 26 Years
Summer internship: Deloitte AERS
Work Experience: 12 months

A B.Stat and M.Stat from ISI Kolkata, Preetam has a natural flair for anything quantitative, in general, and number crunching and data analysis, in particular. Having worked for the Basel Modeling team at HSBC before joining IIMB, he interned at the Financial Risk desk at Deloitte where he completely altered the financial modeling techniques used in the company till then. He played cricket at the U-16 level for CAB and also takes part in badminton, tennis etc in campus. He is soon to start a new Analytics Club at IIMB and his puzzles and creative one-liners are a hit with his friends.

Samita Bansal
Age: 24 Years
Summer internship: Coke Marketing and Strategy
Work Experience: 18 months

Samita Bansal is a calm and composed personality. Her zeal to excel and eagerness to learn has kept her an achiever throughout, both in academics and extra-curricula. Known for dancing, public speaking and helping nature, she also likes exploring places and cultures. At IIM-Bangalore, she won several business contests involving business strategy and marketing. Samita interned at Coca-Cola in Market-Execution Division and developed strategy to scale up ekocool initiative (i.e. coolers that run on solar energy), so as to expand beverages market in electricity deficient areas and economically empowering women retailers. This experience was enriching and she was well appreciated for her contribution.

Saurabh Singh
Age: 24 Years
Summer internship: eBay Analytics
Work Experience: 20 months

With a strong sense of responsibility and motivation, Saurabh strives to excel at whatever he does. His hardworking nature, dedication and ability to perform under pressure have helped him succeed in various endeavours all through his life. He has always tried to balance academic and extra-curricular activities. Saurabh is passionate about sports and enjoys playing Cricket and Tennis. He also serves as the senior coordinator of Sports Council at IIMB where he has set new standards in all that he undertook. As a summer intern, he worked for eBay’s analytics division. During his internship, he developed new ideas & methodologies to improve buyer interaction and engagement in the eBay Feedback System.

Sayoni Biswas

Aishi Mahapatra
Age: 25 Years
Summer internship: Deloitte Analyst
Work Experience: 24 months

Take hard work and sincerity, mix a few spoons of cheerfulness and good old liveliness – that’s Aishi. Born into a family of doctors in Orissa, she and her twin brother had a good mix of extra-curriculars along with a consistent academic record at school. She graduated in the top 5 of her class with a degree in computer science engineering at NIT Warangal in 2010. At college, she was hired as a Programming Analyst at Goldman Sachs, Bangalore and worked there for two years in the Private Wealth Management division. At IIMB, she was Publicity co-ordinator in FII and was part of organizing committee of Vista. She interned in the Enterprise Risk Governance practice at Deloitte.

Ajinkya Deshmukh
Age: 25 Years
Summer internship: Edelweiss Analyst
Work Experience: 23 months

Ajinkya Deshmukh, is a highly motivated person with an analytical bent of mind. His passion to solve problems bore fruit when he cracked a perfect 100 percentile in CAT’11. An avid trekker and long distance runner, he loves to travel to different places and explore new cultures. Ajinkya interned at Edelweiss Financial Services, Mumbai in the Algorithmic trading risk division and designed a negative testing lab for black-box testing of trading algorithms. His model was found extremely useful in benchmarking the algorithms on various measures of risk like Mark to market loss, throttle etc.

Amandeep Singh
Age: 26 Years
Summer internship: Citibank Equity Derivatives Trading
Work Experience: 23 months

Amandeep is a focused and dedicated person, with a consistent academic record. After graduating from IIT Kanpur, he worked for 2 years at Deutsche Bank, where he oversaw the risk of Hedge Funds. He spent his summers at the Equities Trading desk for Citibank, where he developed algorithms to trade derivatives. A poet at heart and his creations have featured in a few magazines. He is also an avid follower of sports, loves long distance running and has played basketball at a competitive level.
Amit Barnawal is the epitome of Determination. With a can-do attitude towards his work and tenacity to make the long, he achieves the milestones on schedule. He is adept at decision-making and problem solving, which helps him handle critical situations wisely and lightly. Amit interned at Cognizant Business Consulting in the Engineering & Manufacturing Solutions (EMS) division; wherein he proposed some Captive units, innovative channels and opportunities to build EMS capabilities in niche market. He was acclaimed for his contribution and was declared among best 4 out of 28 interns. An outgoing personality, he enjoys travelling and adventure and holds the position of senior coordinator in Adventure and Mountaineering club at IIMB.

Amrit Nanda

Amrit, graduated in Computer Science Engineering with a gold medal for highest academic achievement from Manipal Institute of Technology in 2010. He worked as a Software Engineer for Philips Healthcare R&D where he was involved in multiple turnkey projects across geographies. He interned at Cadbury India Ltd. in the Corporate Finance function during the summer of 2013 where he helped devise finance strategies to optimize distribution and warehousing costs. He is an avid reader, travel enthusiast and photographer. He is extremely passionate about cars and enjoys taking long drives to exotic destinations.

Angit R Ram

Highly motivated and committed team player, Angit believes in giving his best to each endeavour. He seeks to achieve the right balance between academics & extra-curriculars and is actively involved in activities related to environmental sustainability in the campus. Prior to joining IIMB, Angit was part of the production engineering team at Maruti Suzuki India Limited. He was involved in the new model assembly line equipment procurement, installation and commissioning activities. He interned with TAS at Tata Industries Limited, where he was involved in a project to identify and evaluate potential business opportunities for steel alternatives in the global automobile and construction businesses.

Aniket Ashok Karde

Sincere, fun loving and a passionate guitarist at heart, Aniket always strives to give his best in all his endeavours. His biggest strength is his adaptability and his ability to work under pressure. He worked with Vedanta and SAIL as Junior Manager and was rated amongst top 2% of employees for his commendable contribution towards INR 31.2 lakhs cost reduction in production. He is a Vice Captain of IIMB Cricket Team and scored a double gold medal at IIMB sports meets and at NIT, Nagpur. As a part of Bharti Airtel in Mumbai Circle, he successfully designed a Customer Service Module and achieved 10.43% growth in data sales revenue through market research on data penetration.

Aniket Batra

A hard working and determined person, Aniket Batra’s biggest strength is his ability to work under pressure. A B.Tech holder in Mathematics & Computing from IIT Guwahati, he worked as an application developer with Credit Suisse, supporting key trading activities of Quant traders for 23 months where he was also recommended for the Best Client Service award. During his internship at eBay - India Analytics Centre, he developed a reporting capacity to conduct post launch impact analysis for some of the major changes, newly done on eBay site. His work received appreciation from senior leadership & he was also lauded for his learning ability.

Ankur Chaudhary

Brimming with energy and enthusiasm, Ankur is ready to put his best in every endeavor of life and believes in perseverance till the final goal is achieved. A flutist in the IIMB band, Ankur has a long association with music. He worked as a Control and Instrumentation Engineer with NTPC JV for 26 months before joining IIM Bangalore. Ankur interned as a analyst at Corporate Executive Board(CEB) in the Finance and Strategy division and worked on a market research project to assess the innovation potential of client R&D workforce for new product development. His contribution in terms of innovative ideas was highly appreciated by the team.
Arpitkumar Roy
Age: 25 Years
Summer internship: National Innovation Foundation Business Development
Work Experience: 32 months

Defined as disciplined and persistent person, Arpit is a fun-loving positive person. His biggest strength comes from his adaptability to the situations and work under pressure with diverse set of people. After graduating from The M.S. University of Baroda, he worked in an international nuclear organization (ITER) for about three years wherein he worked in R&D, quality assurance and procurement. Apart from, leading a team of twenty people spread across countries, he also represented his organization in national & international events. During internship at National Innovation Foundation-India, he worked extensively in product development of wick-machine and innovative medical rehabilitation products.

Arshad Hakkim
Age: 26 Years
Summer internship: Dentsu Account Executive
Work Experience: 26 months

Just and creative, just like his sun sign Libra, Arshad balances academics and fun in the right proportion. He is a regular at the pool table and works out thrice a week at the gym. Having worked 2 years, 2 months and 2 days at Wipro Technologies, Bangalore, he puts his experience to full use in bringing about fruitful discussions during projects. International internship at the largest advertising agency, Dentsu Inc. (Singapore office), helped him work on his two passions, sports and marketing. He managed a football event involving Spanish giant Atletico Madrid and was appreciated for the same.

Ashlesha Kadam
Age: 25 Years
Summer internship: Citibank Corporate Banking
Work Experience: 22 months

Sincere and committed to every task she takes up, Ashlesha leaves no stone unturned to achieve her goals. She loves meeting new people and striking conversations with strangers comes naturally to her. A Computer Science engineer from BITS Pilani, she worked with Cisco Systems before joining IIMB. At IIMB, she is a Senior Coordinator for the Alumni Committee and the Marketing Club. Her internship at Citibank Corporate Banking involved working with Citi’s financial institutional clients across Insurance, Pension Funds and Alternative Investment Funds. Her project was greatly appreciated for having identified attractive opportunities for Citi for these clients and doing a competitive positioning of Citi vis-a-vis competition.

Work Experience: 27 months

Analytical and multitasking in nature, Hardik Jain has completed his B.Tech in computer science from IIT Kanpur. Prior to joining IIM B, he has worked at Oracle where he got fast track promotion to Senior Member Technical Staff within two years. At IIM B, Hardik Jain is currently senior coordinator in Entrepreneur & Innovation Cell and Systems Club. He has completed his internship at Microsoft as Program Manager Trainee in Windows Application Division, where he worked on two projects. One involved creating strategy for phone application and the other developing instrumentation feature for windows application.

Harsh Bhageria
Age: 24 Years
Summer internship: A.T. Kearney Senior Business Analyst
Work Experience: 22 months

Harsh is a sincere and determined individual, with an eye always on the big picture. After graduating with a bachelor’s degree in Civil Engineering from IIT Bombay, he worked for two years as a consultant with The Monitor Group. At Monitor, Harsh got the opportunity to work with clients across diverse industries on a range of strategic issues. He interned with A.T. Kearney, where he worked on business process transformation for a major thermal power producer. Harsh has a consistently excellent academic record, and was in the Director’s Merit List (2013) at IIMB. His interests include quizzing, singing and reading.
Henna Vij
Age : 25 Years
Summer internship : HSBC Analyst
Work Experience : 32 months

Henna is a B.Com(H) graduate from Shri Ram College of Commerce, Delhi University. Prior to joining IIM Bangalore, she was working with KPMG. She has 32 months of experience in taxation consultancy. She has a keen interest in literary activities and was involved in assisting her team on many articles published in leading financial dailies. During her summer internship with HSBC, she worked with the Equity Capital Markets team based out of Mumbai. At IIM Bangalore, she is the Secretary of the consulting club – ICON and is actively involved in campus activities.

Himanshu Rana
Age : 25 Years
Summer internship : National Innovation Foundation Marketing
Work Experience : 22 months

A passionate and pragmatic personality, Himanshu is known for his exceptional analytical skills. An electrical engineer from IIT Kanpur, he has avid interest in the marketing and finance domains. He worked at NTPC as an Operation Engineer and received the GM award for his exemplary leadership qualities. His summer internship gave him exposure in marketing organic handicrafts and charting out strategy to open retail space for the same. Besides being a sports enthusiast, he is also keen in dramatics and is regularly seen in all plays and dramas by the IIM Bangalore cultural team.

Ila Gupta
Age : 24 Years
Summer internship : The Boston Consulting Group Summer Associate
Work Experience : 22 months

Ila is a versatile person who strives for excellence in every sphere. A consistent performer all through school and college with a strong academic record, she has an equally strong winning streak in extracurricular activities including sports, olympiads and quizzing. While working at Bain Capability Centre, along with being a top performer, she was also involved in social service, recruitment and cultural initiatives. At IIMB, she is a part of the Cultural Committee and the basketball team. She interned at The Boston Consulting Group where her project involved a study of family businesses in India.

Ishaan Puri
Age : 25 Years
Summer internship : McKinsey & Company Summer Associate
Work Experience : 24 months

Ishaan Puri was born in Patiala and did his schooling in 9 cities, including 11th and 12th in Moscow because of his defense background. After graduating from IIT Kanpur in 2010 with a B.Tech. in electrical engineering, he joined the tobacco division of ITC Limited, working in a purely mechanical engineering role in their Saharanpur factory for 2 years, before coming to IIMB. His hobbies include music (drummer and bassist) and traveling.

Ishan Shekhar
Age : 27 Years
Summer internship : Mindtree Intern
Work Experience : 29 months

Ishan is admired for his ability to consistently deliver under pressure and maintain his composure under difficult circumstances. Born and brought up in Lucknow, Ishan graduated from SASTRA University in Mechatronics. Two-year experience at Tata Consultancy Services, working in Operations & Maintained and Development team has given him exposure to working with different people across demographics. He interned at Mindtree, for the development of Mindtree’s UK market strategy to expand their presence in UK. An adventurer and photographer at heart, he likes to explore the unexplored. As a Senior Coordinator of Anveshan, he enjoys his responsibilities.

Iyswarya Abayamani
Age : 26 Years
Summer internship : TAS Strategy
Work Experience : 22 months

Three words that describe Iyswarya are outgoing, sincere and hardworking. Having graduated from CEG, Iyswarya worked with CTS Chennai prior to joining IIMB. Working as a Press Correspondent for four years in a leading South Indian Magazine group and managing core team of 45 leaders as the Chief Mentor of the Techno-Management fest, Kurukshetra are few of the several accolades from her college days. Iyswarya interned with TAS to create a Knowledge Management Strategy for Tata Business Support Services Limited which was later implemented across multiple locations. A trained instrumentalist in Veena, she is a carnatic music enthusiast. At IIMB she is a part of MARS, the retailing society, mitr, the student counselling chapter and IIMB’s Throw Ball team.
Jagannath, a Cricket enthusiast from Chennai, decided even before he completed his engineering that in Marketing lay his future. Accordingly, he broke away from mundane campus jobs to take up a sales stint in Saint-Gobain. In IIM Bangalore he is part of the literary club, Expressions, through which he exhibits his passion for writing. Jagannath interned in Times Group where he was part of Real Estate vertical and involved in the Re-branding exercise of the group’s flagship real estate brand - Times Property.

An inquisitive person with a positive attitude, Nishitha has been a consistent topper in most of her academics. She believes in herself and has the willingness to work hard. She has a flair for sketching and likes to keep learning new things. She loves cultural activities and was the floor champion during her 2-year stint in IBM. She has been a dance team member for certain events and a core member of hospitality and infrastructure team during placements 2013 at IIMB. She interned at HDFC Bank Ltd where she suggested prospective MNC clients from different industries, to the bank.

Perseverance and Excellence are the very virtues that have helped him to tread the path of success. He did his internship with Axis Bank in an Analytics Department; where he was responsible for profiling customers using liability variables to help senior management better understand the credit risk. Prior joining to IIMB, he worked in Fiserv, a financial services technology company, as a software developer for two years. His exceptional performance earned him Star Performer of the Year award. He completed his engineering in computer science from the prestigious College of Engineering, Pune. He has a good mix of academics as well as extra-curricular achievements.

Amar, having completed his B.Tech in biotechnology from NIT Warangal, worked in IT sector developing applications for an insurance firm. As a person he maintains a right balance between academics and other activities. He is a voracious reader and a cinephile. Amar interned with Capgemini Strategic Analysis Group, wherein by leveraging various databases he analysed three financial services firm on financial and competitive parameters. Apart from this he also worked on developing spotlight section of Capgemini World Insurance report (WIR) 2013. While working on WIR, previous knowledge of insurance value chain came as a great help for the group in analysing the firms.

Multitasking ability being her key strength, Lakshmi Priya actively engaged in two projects and was appreciated by the CEO, VP-Marketing, for her diligent and meticulous work during Internship. She brings a right blend of experience in engineering, technology and business across healthcare and banking sectors, through her stint with Cognizant. Apart from work, she made significant contribution to the society, for which she was awarded ‘University-Gold Medal’ in NSS. She also organized a ‘Cancer Awareness Campaign’, collected Rs.3.25 lakhs (2008) for Chennai Cancer Institute. With a positive attitude, dedication, she always looks to challenge herself and improve for the better.

A finance enthusiast, Lavanya is a commerce graduate from Shri Ram College of Commerce (Delhi University). She did her summer internship at Barclays Capital, Mumbai in the Investment Banking Division. Her affinity towards investment banking began prior to joining IIMB when she was working as an Analyst in the M&A service line at Ernst & Young. She is fond of debating and beauty blogging, identifies herself as a feminist and likes to debate at length on women issues. In IIMB, she was a Senior Coordinator in Networth – The IIMB Finance Club and iQ- Quizzing, Lits and Debating Club.

Lipsa is known for her diligence and calm persona with a positive outlook. Her major strength lies in her ability to work under pressure and adapt to different situations. She has an avid interest in travelling and working for the social sector. Before joining IIMB she worked at Samsung India where she executed critical assignments in the commercialization of LTE devices for the US market. Lipsa completed her internship with Accenture Management Consulting, where she worked on improving and managing productivity of the client’s owned retail store.
Sports Secretary of IIM Bangalore is very sociable. He is active and energetic. Electronics Engineer from IIT Roorkee is a good example for well balancing academics and extracurricular activities in career. He worked in NTPC for two years and played a crucial role during commissioning of a Vallur Thermal Power plant in Chennai. Later, he interned in ITC with Foods Division in Supply Chain Management Role. His Production Scheduling Tool and his new model of analyzing Fill Rate Drop have already been implemented in two manufacturing plants of ITC. His new initiatives as a Sports Secretary, to increase the awareness of importance of physical fitness in corporate life, have attracted everyone's attention. He is an institute team member for Volleyball.

M Akhilesh Chander

He also won few marketing events in IIMB, a quick learner and highly committed to his work.

Shankar.S
Age : 24 Years
Summer internship : Metro Cash & Carry Sales & Marketing
Work Experience : 22 months

A highly focused and determined person, Shankar believes in hard work and known to be an efficient team player. Having excelled academically throughout his school and college days, he had a flair for organizing national level symposiums & interacting with corporate executives. During his 2 years stint at Frost & Sullivan as a Research Analyst in Metals & Minerals vertical, he gained significant industry expertise and set high standards with the clients through his impeccable execution of various consulting projects. Shankar interned at Metro Cash & Carry in the Sales & Marketing vertical and formulated a Marketing business plan for attracting the Kirana trader segment. The internship stint enabled him to understand and gain expertise in the retail sector.

Shashi Shekhar Singh
Age : 27 Years
Summer internship : Coke Sales & Marketing
Work Experience : 23 months

Shashi Shekhar Singh is a jovial person who sets high standards at work and at life for himself. As a Cultural Secretary at IIMB and a member of the Students’ Affairs Council, he shoulders great responsibility and has gained expertise in managing time and people efficiently. As a summer intern, he was awarded the Best Project Award for his pragmatic suggestions on improving the productivity of the sales team at Coca Cola. Prior to joining IIMB he worked with Ericsson as a Telecom Senior Engineer, where he was actively involved in the launch of 3G for Bharti.
A highly energetic and motivated person, who believes in persistent & diligent efforts - Shiva Nanditha has always successfully balanced academics and extracurricular activities. An Electrical Engineering graduate from NITW, she had secured Merit Scholarship for academic excellence, worked as Joint Secretary of Electrical Association, and captained the department team. At IIMB, she played an active role in three placement processes as a Placement Representative and was instrumental in successful completion of the season for the largest batch in shortest time. Also, an amateur tennis player and a member of IIMB Throwball team, who won accolades in various Sports meets. She interned with American Express and worked on Competitive benchmarking of products in the B2B segment. With an interest for Marketing & Operations, she intends to pursue a career in the same.

Shreesh has always been enthusiastic in his endeavours and has managed to balance his academics and extra-curricular activities with élan. During his stay at IIT Madras, where he graduated at the top of his class in Aerospace Engineering, Shreesh was part of the institute placement and aquatics team and part of the hostel music band as a drummer. During his time at the investment banking division of Credit Suisse, he worked on billion dollar transactions. During his time at IIMB, Shreesh has been actively involved in dramatics, swimming and music. He has interned at The Blackstone Group during his summer break where he worked on marquee transactions in real estate private equity.

Shrey strives for perfection in whatever he does and believes this to be his greatest strength. After completing his graduation from IIT Kanpur in Electrical Engineering he worked at IBM-Research Lab in the Telecommunications domain for a couple of years where he published three papers and filed five patents during his job tenure. He is also a co-founder of a startup based in New Delhi and he is working on two business ideas with his team currently. He interned at Nomura Singapore Ltd. in the Rates Trading and FX trading desks where he worked on developing new trading strategies.

Giving whatever Shruti takes up her best shot, she raises the bar for herself with every task. Graduated from NITK Surathkal as a software engineer she has worked with firms like Citrix and Amazon prior to joining IIM Bangalore. At IIM Bangalore, she takes part in several business contests in strategy and marketing and also engages with the administration as the member of Academic Council. Shruti interned with McKinsey & Co. as a summer associate in the Advanced Industries Practice and worked with a global automotive client in their sales operations excellence project and also established a responsive bid management capability.

Shuchi, a BITS Pilani graduate, is highly organized and has a keen eye for detail. A natural communicator, Shuchi has been a sponsorship coordinator for IIMB’s Cultural Committee. As a Dramatics club coordinator, she has performed in IIMB’s first commercial play and has contributed to scripting and production of multiple plays. Before joining IIMB, Shuchi was an analyst for Flipkart’s supply chain and marketing teams and had designed the analytics training program for new hires. Shuchi’s summer internship was at the venture capital firm, Accel Partners. She devised the customer analytics strategy for two of Accel’s consumer internet portfolio companies.

Part of the Director’s Merit List at IIM Bangalore, gold-medal winner in multiple college sports, a quizzer, debater, creative writer and a long-distance runner, Siddhartha is the consummate jack of all trades. He is an electronics engineering graduate from IIT Guwahati, having subsequently worked for ITC Limited prior to joining IIM Bangalore. At ITC, Siddhartha held operations and key account management positions, leading a team of 20 employees. Siddhartha completed his summer internship at A.T. Kearney, where he worked on retail strategy and supply chain transformation projects. At IIM Bangalore, Siddhartha is a member of the Student Media Cell, and is also currently training to run his first full marathon.
Smita Singh
Age: 26 Years
Summer internship: A.T. Kearney Senior Business Analyst
Work Experience: 22 months

Smita is a very cheerful and optimistic person, an avid reader and a determined, hard worker. She takes great ownership in her work and its execution, as evidenced by the several awards and scholarships that she has won. She is a gold medallist from IIT-BHU, post which she worked, as an electrical engineer, at Tata Steel, Jamshedpur for 22 months. At IIMB she is a senior coordinator for Exchange Committee and Bookrack. Smita completed her summer internship at A. T. Kearney where she worked on a project in the Process Industries sector. The project involved an end-to-end value enhancement and was highly appreciated.

Somya Sinha
Age: 23 Years
Summer internship: Accenture Management Consulting Analyst
Work Experience: 22 months

Somya is known as a hard working, determined and positive person with consistent academic records. She graduated in Electrical Engineering from IIT Kharagpur in 2010. She has two years of consulting experience at ZS Associates, where she advised pharmaceutical clients on assessing market opportunities and building launch strategies. While interning at Accenture, she helped an Indian steel major set up logistics management for their upcoming integrated steel plant. A trained classical singer, she also plays the keyboard and volunteers extensively for social causes. At IIMB, she is a coordinator of Vikasana, the social service initiative and Dhwan, the IIMB music club.

Sourav Saha
Age: 25 Years
Summer internship: HT Media Sales & Marketing
Work Experience: 22 months

Sourav is lively and fun-loving person. His biggest strength is his adaptability and ability to work under pressure. He has the right mix of academic and extracurricular achievements. He worked as a Programmer Analyst in Cognizant, showcasing team work and mental grit under pressure. He interned at HT Media-Marketing in their FM division where he was appreciated for his work on two projects of strategic importance. One was to analyse revenue structure and target potential clients to increase ad-revenue of Fever-Kolkata. The other was a market research targeted at re-positioning morning show of Fever-Kolkata through analysis of consumer behaviour.

Srikanth R
Age: 24 Years
Summer internship: Wipro Marketing
Work Experience: 24 months

Srikanth R is a very positive person, known for his enthusiasm and commitment towards work. With the keen interest in entrepreneurship, he had started two ventures and had won several B-plan contests. Having strong record in extracurricular achievements throughout his career, he was the Vice President, Public Relations for Forum for Communication and Leadership (FOCAL) at IIMB and helped fellow students to improve their communication skills. Before joining IIMB, he worked as Program Manager at Amazon.com and Programmer Analyst in Cognizant Technology Solutions for 2 years where his work was much appreciated. He interned with Wipro Consumer Care and Lighting (WCCLG) and completed two marketing projects on strategy management to improve sales in the Lighting division.

Sudarsh Mehrotra
Age: 26 Years
Summer internship: GE IT Leadership Program
Work Experience: 31 months

Sudarsh is a cheerful and hard-working person. He graduated from Vellore Institute of Technology as B-Tech in Computer Science. He worked in the Financial Services vertical of Tata Consultancy Services for 31 months for a leading North American Bank. In his capacity as a module lead he was instrumental in providing solutions to bank's business and also helped in reducing production issues by 30%. He was consistently ranked amongst the top 5 performers in the project. During his Summer Internship at GE he was instrumental in designing a document repository system for the global SAP implementation team. His personal interests involve playing cricket and travelling.

Sudhanva Rao M
Age: 24 Years
Summer internship: The Boston Consulting Group Summer Associate
Work Experience: 23 months

Sudhanva Rao is the personification of calmness. Keeping cool under pressure and solving problems with his analytical skills has always been his strength. After finishing his undergraduate degree from IIT Delhi, Sudhanva worked at Monitor Group, where he helped large corporates with strategic decisions for their company. During his summer internship at BCG, Sudhanva continued his tryst with strategy by working on growth strategy for a cement major.
Swadesh Kumar Nayak is yet another student who may not be much different from the crowd. However, he is known for his calm and composed nature, his quick learning capabilities and adaptability. He is an avid cube solver and mathematics interests him more than anything. Prior to joining IIMB, he worked as a software developer for Cisco, responsible for creating ‘developing world’ products. He interned at METRO, where his major contribution was to develop a product portfolio for 4-5 star hotels which was a critical piece of the company’s blueprint for the next three years.

Swagata Kayal is someone who walks an extra mile to achieve her results. At IBM, she demonstrated her leadership skills by coordinating between multinational teams. She stands out as a versatile artist with a wide ranging repertoire in fields of music, painting, dance and photography. Her creative front gives her the very edge to be imaginative to generating potential new ideas at work. She interned with Abbott, ideating new strategies for sales & marketing planning and review processes and restructuring expense management system, clearly winning her way to being among the top interns.

Tarun is known as a hard-working and a determined person. Having excelled throughout as a student, he also kept himself busy with various extracurricular activities. He joined Robert Bosch as a Software Engineer where he worked for 23 months. He was part of a customer interaction team working on the world’s first two cylinder Euro V diesel project and was responsible for the design of vital modules. At IIM Bangalore, Tarun is part of Dress Circle, the movie and photography club. He interned at Reckitt Benckiser in the Marketing function. He worked on formulating a digital marketing strategy as well as designing word of mouth campaigns.

Trupti Kilangody is a disciplined person who loves meeting different kinds of people. She is very passionate about whatever she undertakes and gives her hundred percent to it. If you had to define Trupti Kilangody as a person, it would be a combination of being forthcoming, gritty and disciplined. Prior to IIMB she worked at Tata Consultancy Services as Assistant Systems Engineer for 22 months in the R&D Department. Her work involved analysis and assessment of sales history data for clients (which includes Largest Chain of Departmental Retailers and Leading Pharmacy Chain of USA) facing space planning issues for their stores. Trupti interned at Cognizant Business Consulting in the Emerging Business Accelerators vertical. She developed a quantitative model for measuring the SMAC (Social, Mobility, Analytics and Cloud) maturity of an enterprise.

Usha is calm and composed, has an eye for detail and new ideas. A team player, Usha has been known for her logical problem handling and her collaborative nature. Usha worked as a Programmer Analyst with Cognizant, where she was responsible for Point of Sale (POS) Application Support for a luxury retailer. She interned with CEB as a Financial Services Research Analyst, where she worked on finding trends in the US retirement services industry by analyzing Federal Reserve’s data. A fitness freak, she is passionate about Yoga and Table Tennis, and is the captain of the women’s TT team at IIMB.

A professional model, trained salsa dancer and an Odissi vocalist, Utkalika Mohanty has completed her 22 months at Infosys in healthcare domain. The unwavering passion and zeal to take new initiative helped her achieve the ‘Best employee award’. At IIMB, she takes an active interest in campus life and is a coordinator in the Social Initiative Club where she spends her time organizing various events for less fortunate. To pursue her interest in fashion forward, she did internship in a leading international retail company “Alshaya” and received pre-placement offer for providing successful business solutions to 3 fashion brands (Next, BHS and Coast).
“Live life to the fullest” defines her. A core ECE engineer who was manufactured in Chennai, processed at Infosys for 2.5 years and is now developing at IIM-Bangalore. She has been offered PPO by HUL for exceptional performance in her internship project “Global IT application transition”, the model she designed is being implemented in real time. She is also pursuing a CCS on consumer perception of Highway Retailing and its potential in India. At IIMB she contributed as Coordinator MARS & POC Gurukul (2012-14). A state level Orator and amateur story writer, currently experimenting on her interest in friendly pranks, world-music genres, countryside travel in Karnataka, point & shoot nature photography and Hollywood movies.

Vishnupriya M
Age: 25 Years
Summer internship: Wipro Finance
Work Experience: 29 months

An industrious and self-motivated individual, Vishnupriya looks forward to new challenges and strives to achieve excellence in all her endeavours. Her biggest strengths are her ability to adapt and perseverance. Having worked as a software developer at Cisco, Vishnupriya joined IIM B to get a 360 degree understanding of businesses and equip herself with sound management practices. She is a Senior Editor at tejas@iimb, an IIMB Management Review Initiative. As a Finance trainee at Wipro Technologies, she proposed recommendations for optimizing people costs in Wipro’s UK operations. She also evaluated a proposal for additional investment in a recruitment portal.

Vyom Charaya
Age: 24 Years
Summer internship: Booz & Company Senior Consultant
Work Experience: 23 months

Vyom is a firm believer in the theory that “dots always connect in retrospect”. Having completed his engineering from IIT Delhi, with an international internship and a research publication to his name, Vyom spent a couple of years in management consulting at KPMG, working closely with clients in power sector, scrap industry and municipal services. He did his summer internship at Booz & Co. working on a business transformation project for a large Indian conglomerate. He is passionate about dance and actively involved in theatre at IIMB, and he is also an active member of the Forum for Industrial Interaction.

The diverse work experience with a hedge fund and gaming domain enables him to think creatively and come up with innovative solutions. His ability to make friends with people along with the attitude of leading by example has helped him succeed as a class representative, Google campus ambassador and events head of the forum for industrial interaction. His internship at McKinsey in pharmaceutical industry involved modernizing their manufacturing plants. He was appreciated by the client for his contribution and the maturity shown at handling the sensitive issue.

Pushpendu Kumar
Age : 27 Years
Summer internship : Zovi Logistics
Work Experience : 34 months

Determined and dedicated, Pushpendu has always been known to achieve exemplary success in all endeavors he ventures into. Prior to IIM Bangalore, Pushpendu had been spearheading mine operations in Jharkhand while serving as Assistant manager at Coal India Limited. He was responsible for meeting stringent production goals and was highly celebrated for overachieving targets. Pushpendu interned with Zovi.com in its logistics division and was able to reduce cost in the supply chain. At IIM Bangalore, he is interested in developing multilateral skill sets with a focus on marketing, finance and operations.

Rahul Anand
Age : 25 Years
Summer internship : 3M Healthcare Sales & Marketing
Work Experience : 34 months

Endowed with an inquisitive attitude, Rahul comes across as a person with great blend of professionalism and enthusiasm which helps the team build a strong rapport. A graduate in Electrical engineering, he has successfully led different teams under Operations & Maintenance and Commissioning divisions during his three years with NTPC Ltd. As a summer intern with 3M Healthcare, Rahul worked on devising a marketing strategy for launch of one of their new products in the medical devices segment. At IIM Bangalore, he has been a member of the Placement Committee facilitating recruitment process for students.

Rama Krishna Reddy Pv
Age : 27 Years
Summer internship : Tata McGraw Hill Analyst
Work Experience : 33 months

A confident and composed person by nature, Ramakrishna is at his best in tackling any analytical issue. His intellectual abilities span from engaging you in an intense chess game to challenging you in political issues that transcend time, make him stand out from the crowd. A graduate in Electrical and Electronics Engineering from NIT Warangal, he worked for 3 years in Petrofac and IDBI Bank before joining IIMB. He interned at McGraw Hill, Delhi, where he successfully developed insights into CSR spending of Indian PSUs as an integral part of market expansion of the company.

Ramkumar M
Age : 27 Years
Summer internship : Star India Strategy Analyst
Work Experience : 38 months

After completing his undergraduate in Information Technology from Jeppiaar Engineering College, Chennai, Ram worked for over 39 months in Cognizant Technology Solutions as an Associate. His dedication, problem-solving skills and hard work was appreciated by both client and senior project managers and he received numerous awards for excellent performance including the prestigious “Czar of the Month” award. At IIMB, he is passionate about role of Information Technology in enhancing business and is currently the senior coordinator at Students Alumni Committee (AlumCom). During his internship at Star India as a Strategy Analyst, he worked on devising the negotiation strategy between Star and various DTH Operators.

Randeep is highly enthusiastic and only committed to his work. He aims to give his 100 percent in everything he tries to do. He has worked for Nomura Services India Pvt Ltd and has interned in HSBC Securities.

Ritesh interned at HSBC where he carried out a study of the real estate micro-markets of two major Indian cities and assessed the risk of institutional financing of large scale construction firms in the Indian real estate sector.

Dedicated and sincere towards his duties, Rohan Khankhoje is a passionate biker and enjoys exploring new places, cultures and working with people. Born and brought up in Nagpur, Rohan is Mechanical Engineer from VNIT, Nagpur and has worked with Research and Development at Bajaj Auto Ltd where he successfully oversaw calibration of commercially successful KTM Duke Bikes. He was appraised as being amongst top 10% employees and was awarded an “Excellent” performance grade in 2010. At Nokia Corporation, Chennai, he successfully developed a governance framework for handling of by-products in mobile manufacturing process. At IIMB, he is part of the cricket team.

Samidh is known for his independent thinking, ability to develop ideas from scratch, and present a complex ensemble of ideas coherently. It has helped him win business strategy events like Aditya Birla Stratos which require thinking in a time-constrained environment. His biggest strength is his ability to assimilate a variety of ideas quickly, evinced in the speed at which he picked up the HayGroup’s competency framework, and gamification concepts, to develop an online learning management system for a client during his summer internship. A fitness fanatic, he practices yoga, runs regularly, and plays hockey. Also, he is passionate about environment and sustainability.

Sarang is known for his zest and enthusiasm with which he approaches whatever he does. He is self-motivated, self-directed and goal oriented person. With his 22 month work experience in New Product Introduction at Tata Motors and 12 months at sales and marketing consulting firm ZS associates, he bring a unique perspective of manufacturing and service industry to the table. He interned with RedSeer Consulting and help a Fortune 100 client restructure its hiring policy. At IIM Bangalore he is a part of Placement Committee and loves networking with people.

Calm, composed and level-headed in any situation, Satish maintains a healthy mix of work and fun, having excelled equally in academics and extra-curricular since school. Having graduated from India’s prestigious CEG, he worked at Cisco prior to joining IIMB, playing a key role in customer demos and deliveries. At IIMB, he contributes to the Entrepreneurship Cell. He interned at SAP as an Analyst, identifying new customers in FMCG and Real Estate space. He was also involved in a strategy role for a pan-India Customer Excellence event for SAP’s customers.
A silver medalist from IIT Kharagpur, Sayan Deb Kundu is a problem solver who thrives on challenges – be it trekking on the rough terrains of Himalayas, solving brain tickling puzzles or providing customized solutions to the challenging problems. A profound aptitude in analytical thinking led him to join a quant firm where he provided trading strategies to Hedge Funds along with a brief stint in Energy Risk domain. He interned in Accenture Management Consulting where he devised a Go-To-Market Strategy for a Pharmaceutical Giant. At IIMB, he served as the senior coordinator of Exchange Committee. Apart from being selected to attend business conference at Cornell University and Malaysia, he also holds a publication at an International Conference on Analytics.

Shadin Cornelio is extremely versatile in nature, with skill sets in technology, marketing and non-profit. Before joining IIMB, she worked in Nokia Siemens Networks, followed by stints at a start-up and an NGO. Her work as a freelance design and technology consultant helped impact over a dozen non-profit organizations and start-ups. She is passionate about web and graphic design, a skill she uses as Publicity Co-ordinator of the Cultural Committee. She has run educational and mentoring initiatives as a Coordinator of Vikasana. Shadin interned at Yahoo where her strategies for the Membership team won her the title of ‘Best Intern’.

A Mechanical Engineer, Soumya is a person who loves to understand how things operate and behave. After having spent 3 years in Honda in a very technical role, he has been focusing on leveraging his experiences in understanding the business aspects of a company. He is an operations enthusiast and has been promoting the importance of operations in all careers as the secretary of Operations Management Club at IIMB. He loves organizing and taking up responsibilities. His tryst with Amazon during Summer Internship, where he had to work with 5 different departments, was an eye opener in understanding the coordination and interdependency of different verticals in an organization.

Srikanth graduated from NITK in Electronics and Communication and has worked with Goldman Sachs as a Technology Analyst for 3 years before joining IIMB. Srikanth lives by the philosophy of living a multi-dimensional life and seeks to learn something from each of his diverse interests. Srikanth enjoys learning musical instruments and represents the IIMB Band. He also captains the Kho-Kho team at IIMB. As President of Vikasana, coordinator of Consulting Club (ICON) and Campus Ambassador of Swaniti (public policy initiative), Srikanth has a good hold on social, corporate and policy issues and believes in making sustainable impact in these areas.

Subhankar is a person full of optimism and positive attitude. He believes in his own strengths and strives for the best in all his endeavors. Prior to joining IIM Bangalore, he worked with Infosys & Coal India Limited for around 34 months. In both organizations he was highly appraised for his exceptional performance & forthcoming attitude. At IIMB, he is an active member of Focal & Sigma. During his summer internship with Standard Chartered Bank, he looked into possible business opportunities with multinational clients in transaction banking space. He is an avid internet surfer and likes running.

Sudhan is a multi-faceted individual who takes up challenging projects enthusiastically. He interned with Hewlett Packard where his project was involved in serving as an input to the top management for Marketing budget decisions. He was one among the few students who was selected to study at McGill University, Canada and he also got selected to do a critical project for Amazon India. He is very passionate about Tennis and is the captain of the IIMB Tennis Team. Currently he serves as the Senior Coordinator of SIGMA, the IIMB Systems club. In his previous role as Senior Systems Engineer at Infosys he was a top performer for close to 3 years.
STUDENT PROFILES - 2014

Sukhada Sanjay Dhone
Age : 25 Years
Summer internship : Procter &Gamble Marketing Intern
